TC 1700

Sir:

We are in receipt of a Notice of Incomplete Reply dated August 30, 2002 for the above-identified application, a copy of which is attached as Exhibit A.

This Notice indicates that the declaration was missing from our Response to Notice to Filing Missing Parts filing received by the USPTO on July 17, 2002. However, a completed and signed Declaration was included with Applicant's July 12, 2002 response to the Notice to File Missing Parts. We have attached as Exhibit B a copy of our postcard stamped by the USPTO acknowledging receipt of that signed declaration. We have also enclosed with this response a copy of the signed declaration as Exhibit C.

Additionally, this Notice indicates that the drawings are not in compliance with 37 CFR 1.84 due to line quality and illegible text. However, formal drawings with good

Serial No. 29/151,927

line quality and legible text were filed by Applicant on July 12, 2002. A copy of Applicant's Submission of Formal Drawings filed on July 12, 2002 is enclosed as Exhibit D. A copy of our postcard stamped on July 17, 2002 by the USPTO acknowledging receipt of those formal drawings is attached as Exhibit E.

We have previously paid for a three month extension of time at the time we filed the Response to Notice to File Missing Parts and now enclose the required fee for an additional two months extension of time in compliance with 37 CFR 1.17(a). However, it is respectfully requested that this fee be refunded to Applicant because the Notice of Incomplete Reply is issued by the USPTO in error.

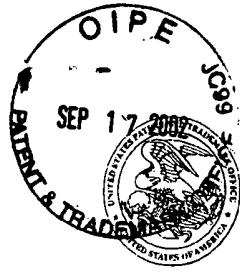

Respectfully submitted,

Ted Rittmaster
